GROW

*The Grow membership is **FREE**- it provides a curated selection of resources for those interested in foundational learning on leadership, neuroscience, and emotional intelligence.*

MEMBERS RECEIVE

Infographics on Team Development

Visual tools that outline effective team-building stages and best practices to boost team performance and collaboration.

Articles on Leadership & Neuroscience

A collection of articles that delve into how neuroscience can enhance leadership capabilities, providing practical insights backed by scientific research.

General Information on Emotional Intelligence

Introductory resources on emotional intelligence, covering its significance in self-regulation, interpersonal skills, and personal growth.

Suggested Reading

Access to a recommended reading list, including influential books, articles, and magazines that deepen understanding in these areas.

- Suggested books may include classics like
- Emotional Intelligence by Daniel Goleman,
- Leaders Eat Last by Simon Sinek,
- The Power of Habit by Charles Duhigg.
- Articles and magazines will feature insights from publications like
- Harvard Business Review,
- Psychology Today,
- and other reputable sources.

This membership serves as a starting point for anyone interested in exploring the essentials of leadership, team dynamics, and emotional intelligence.
